

cultivatearts.com

Cultivate Arts is your new, favorite spot to view and purchase local artists handmade products. We have a wide range of jewlery, paintings, and handcrafted goods. Want to see, and sell your art work in the store? We will work with you to get a display asap.

Cultivate Arts is designed as a retail space where makers and artists can showcase their handmade gifts and products and create their own community to share their knoledge and passions in the art communities. All prudcts are put on display for visitors to treat our store as its own art gallery that they can purchase all the art from. Any and all forms of art is welcomed and encouraged.

Mary Thomas

Long time member of community. Enjoys collecting art.

Mikey Granger

Local artist wanting to get his name out in the community.

The Tyler's

Faimily moved into area recently. Looking for new places to go to
